Bad Pharma is actually a fairly scary book to pick up when youve just collected a prescription from the chemist but Id heard a lot about Bad Science (which Ive since read) and thought Bad Pharma would be incredibly interesting. I certainly wasnt wrong.

## **Bad Pharma: How Drug Companies Mislead Doctors and Harm ...**

Ben Goldacre's book, Bad Pharma: how drug companies mislead doctors and harm patients, is the latest of several books and articles in recent years to level criticisms at the way the pharma industry and regulatory authorities operate; criticisms that need to be taken seriously, revealing faults that need to be corrected. It makes uncomfortable reading.
