Can't take substantial leave from work (or a paycheck) for re-training? Check out our 2017 follow-up article, "Nine More Alternative Careers for Architects." Need a break from design? Good news: Architects can change jobs relatively easily because skills such as creative problem solving, iterative thinking, information synthesizing, and project management translate well into other professions.

Eight Alternative Careers for Architects | Architect Magazine

For some people, the study of architecture is a stepping stone to something else — perhaps it's a TED talk or a book deal, or both. Urbanist Jeff Speck has talked (and written) about walkable cities. Cameron Sinclair talks (and writes) about public design. Marc Kushner talks (and writes) about future architecture.

Career Opportunities After Architecture School - ThoughtCo

Her exodus from architecture didn't last long: Min got a job while waiting to be accepted into the premed program. Hired at a landscape design-build firm, she ended up loving the job. It actually led her back to an architect's career path—and her own successful architecture firm in San Francisco called Min | Day.
