The configuration of the Joemeek SC2.2 is straightforward and is your basic compressor. It is easy to get a good sound out of it and is capable of getting a couple of different types of sounds out of it - ranging from a light compression sound to really squishing the signal, and it is also a sufficient gate.

Reverse-Engineered  
Joe Meek Compressor  
By now many audio  
DIYers would be  
familiar with "What  
Compressor?" , a  
project that apparently  
had its origins in one  
man's dissatisfaction  
with Alesis' 3630  
compressor and his  
fascination with a  
friend's Joe Meek  
device.
