Financial Management means planning, organizing, directing and controlling the financial activities such as procurement and utilization of funds of the enterprise. It means applying general management principles to financial resources of the enterprise.

## **Financial Management - Management Study Guide**

A lease is a written agreement between a bank and a borrower. The length of a room is 21 feet. If a floor plan has a scale of  $1/2$  inch = 2 feet, then the length of the room on a floor plan is 5.25 inches. According to financial experts, a renter should allow no more than 25% of their gross income for rent.

The latest Northwestern Mutual C.A.R.E. Study found that Americans are feeling increasing financial and lifestyle pressure due to caring for an elderly relative or friend. Despite the challenges, 4 in 10 caregivers (39%) took on the role because "it is what [their] family has always done" while more than a quarter (27%) said "there was no other option."
