Philosophical Occasions 1912 1951

Ludwig Josef Johann Wittgenstein (1889-1951) was an Austrian-British philosopher whose books such as Tractatus Logico-Philosophicus and Philosophical Investigations are among the acknowledged “classics” of 20th century philosophy. Born into a wealthy family, he gave all of his inheritance away, served in the Austrian Army during World War I, taught schoolchildren in remote Austrian villages, but ultimately taught at Cambridge for many years.

Philosophical Occasions Quotes by Ludwig Wittgenstein

Historians of philosophy see precursors of the private language argument in a variety of sources, notably in the work of Gottlob Frege and John Locke. Locke is also a prominent exponent of the view targeted by the argument, since he proposed in his An Essay Concerning Human Understanding that the referent...
