You'll find not only classic works that are now out of copyright, but also new books from authors who have chosen to give away digital editions. There are a few paid-for books though, and there's no way to separate the two

The Complete Book Of Dragons

My only issue is that I was a bit disappointed to realize that this isn't quite like the book of dragons seen in the movie How To Train Your Dragon. This book was written prior to the movie and the movie is based off of this series of books, but takes liberty with changing some of the characters and dragons. In this book Toothless is not a Night Fury, but is a small little hunting dragon. The movies (and tv series) separate the dragons by classes and this book doesn't do that. Even though
