Though written more than a decade before he began writing Ulysses, Joyce's essays about genre help explain why that novel seems to evoke Aristotle's dramatic unities of action, time, and place. Ulysses is also, of course, modeled on the Odyssey, and Joyce's modernist engagement with classical forms has mainly been understood in terms of the epic.

Many of his poems are about the temptation to give up and fall prey to pessimism, but they also extol the virtues of optimism and discuss the importance of struggling on with life. The need to persevere and continue is the central theme of In Memoriam and "Ulysses" (1833), both written after Hallam's death. Perhaps because of Tennyson's gloomy and tragic childhood, perseverance and optimism also appear in poetry written before Hallam's death, such as "The Lotos-Eaters" (1832 ...
